

A faint, light-colored architectural drawing of a large, domed building, possibly a government or institutional structure. The building features a prominent central dome with a finial, supported by a series of arched windows and doorways. A balcony with a decorative railing runs across the upper level. In the foreground, there is a fountain with several water jets and a central plant. The entire scene is rendered in a sketchy, line-art style with a light gray tone.

DIMENSIONS / CAPACITIES

62,000

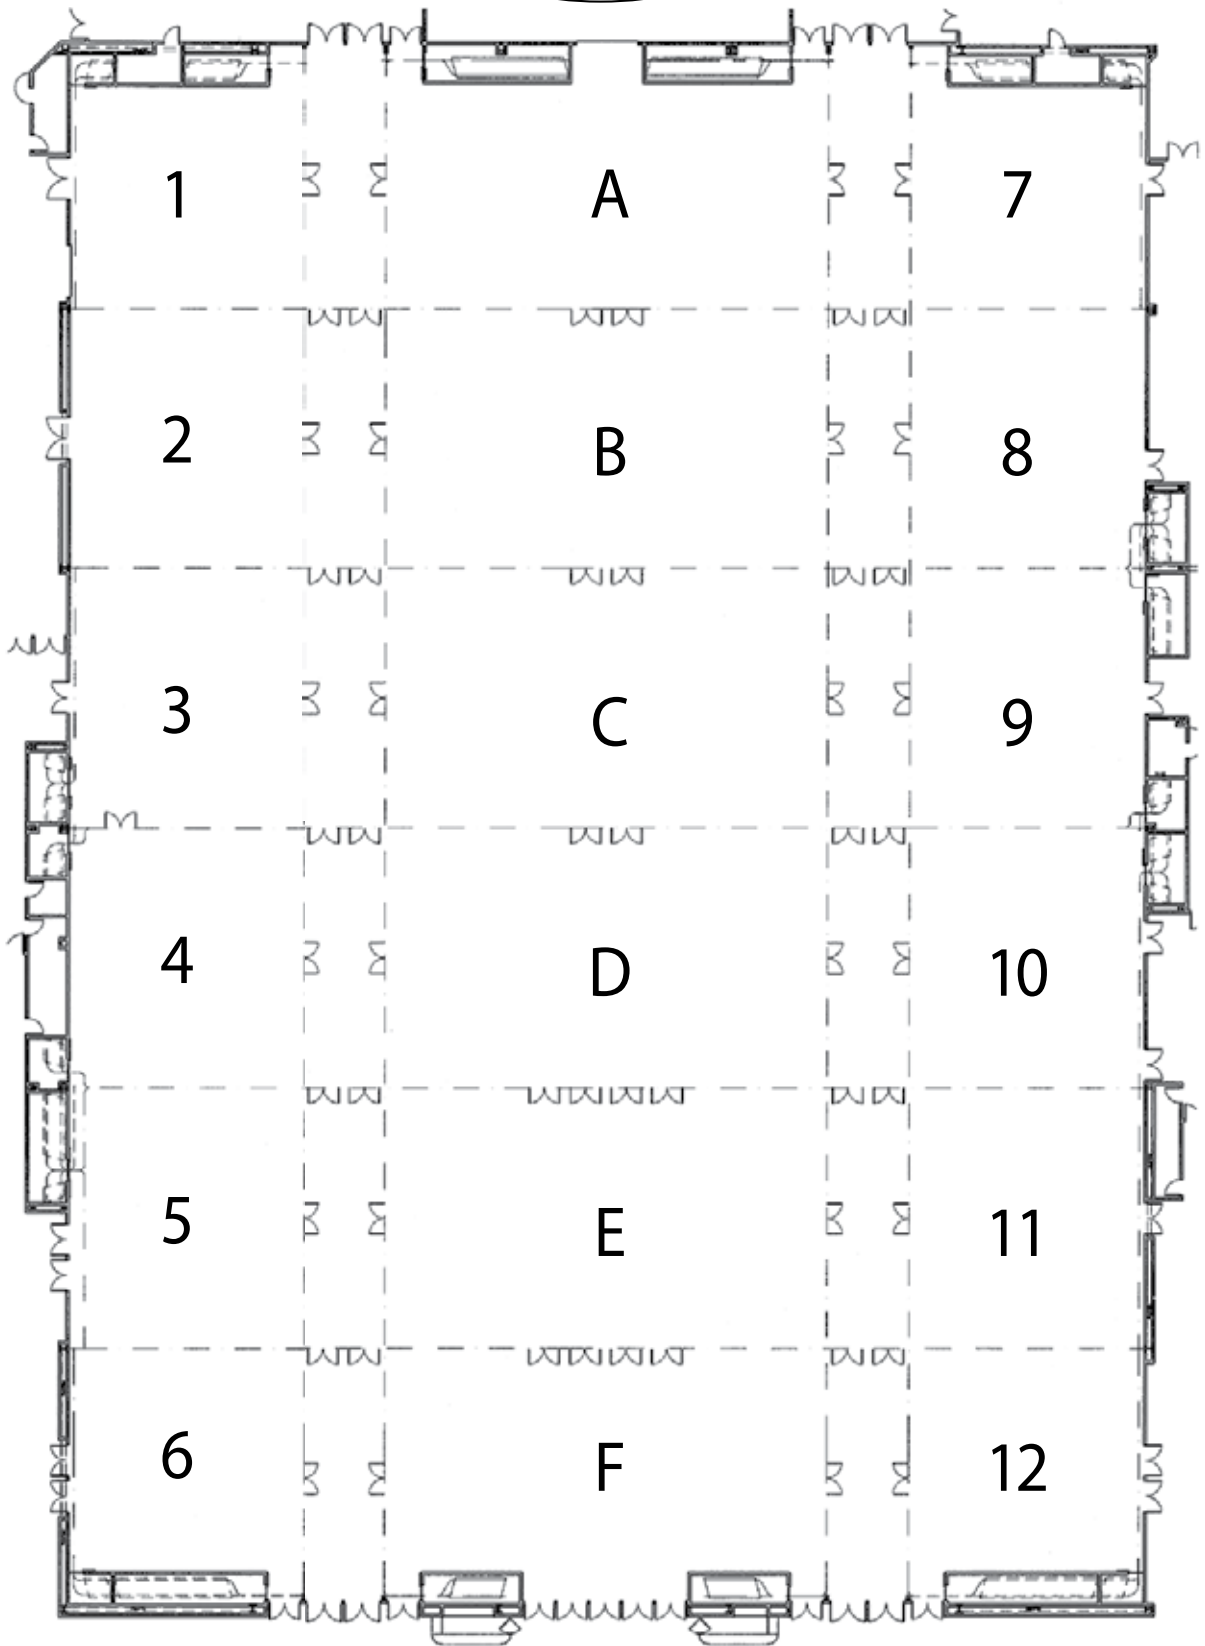

106,000 Square Foot Convention & Entertainment Center

- A new 62,000 sq. ft. clear-span convention center, for a total of 106,000 sq. ft. of meeting space.
