Live Your THēsis

THēsis Hotel Miami is an urban resort with a modern hotel sensibility, where guests and locals alike are invited to discover and embrace their personal THēsis.

THēsis was conceived to be a modern-day townsquare, a communal gathering space located at the intersection of three historic neighborhoods: Coral Gables, South Miami, and Coconut Grove. THēsis Hotel Miami has 245 modernly appointed guest rooms and suites; a sun-filled rooftop pool with tropical views and a poolside bar; two on-site restaurants, Mamey and Orno, led by Food + Wine Best Chef of 2020 winner and James Beard nominee Niven Patel; and indoor/outdoor meeting and event space with state-of-the-art technology, chic design and ample natural light. With a robust, year-round calendar of programming and events – all open to the public – THēsis is not only a hotel, but a destination that fosters genuine connection and creative expression.
